These ingredients, together with the 182 modern light and airy rooms, the excellent restaurant with its wood-fuelled oven offering not only typical Italian cuisine but also delicious crisp pizzas, the American Bar with panoramic windows overlooking the open air swimming pool, the summer bar where we organise unforgettable pool parties, and the 4 fully equipped conference halls, create a unique combination of welcome and quality.

CHIEVOVERONA TOUR LOCATION

VERONA AND GARDA LAKE

Verona is visited by more than three million people every year to see its architectural and artistic monuments (like the Arena and the Juliet's House) and also for the different musical and theatre festivals.

The city has been awarded World Heritage Site status by UNESCO because of its urban structure and architecture.

Garda Lake is the largest in Italy.

Enclosed by the mountains that create its ford-shape configuration and providing a very mild Mediterranean climate.
